

Masterclass Workbook

This workbook will help you get the most out of the masterclass.

The goal of the masterclass is to help you understand what goes into starting your own ketamine clinic and why we believe it's one of the best options to start your healthcare entrepreneurial career. Feel free to print out this workbook or simply answer the questions on another piece of paper.

We hope you enjoy the presentation.

After The Masterclass

You should have received an email with the subject line: **You're 14 day Ketamine Academy Preview**. If you don't see it in your inbox do a search and make sure to check your spam folder.

This will have your login information for your free trial of the Ketamine Academy. We've made lesson one of the trial a replay of the masterclass if you wanted to go back and watch any part of it.

We've also given you full access to one of our most popular lessons: Prepare Yourself. You will have access to a couple minute preview of every other lesson in the course. We believe in transparency and think you should be able to see exactly what you're going to get before you enroll.

We'll also be sending a follow up emails during your trial with some more information about starting your own clinic. If you have any questions feel free to reply to any of those emails or send an email to support@ketamineacademy.com.

We also have a great community of healthcare professionals who are at various stages of opening their own clinic. You'll receiving a link to join that group after you finish registering for the masterclass. Don't forget to introduce yourself.

We're excited to join you on this journey and here to help ensure it's successful.
